AGE: 43

OCCUPATION: Appointed Rancho Santa Margarita City Council
Member; Attorney

I am proud to have been given the opportunity to serve on your City Council...and to call Rancho Santa Margarita home.

Rancho Santa Margarita is a planned community designed to provide a unique quality of life generally found only in a small village. As your councilman, my primary goal is to protect, preserve and enhance this special quality of life.

As parents of four children, for 15 years my wife and I have participated in numerous community activities, including little league baseball, AYSO soccer, dance classes and school activities.

I campaigned for cityhood and have proudly served for years on the Planning Commission and City Council.

I've helped achieve great things in Rancho Santa Margarita these past four years. We've increased law enforcement, built the beautiful City Hall, Regional Community Center, Central Park, Town Center, Banderas Bridge and many shops and restaurants all with a balanced budget.

I will continue to support policies that promote our vision: conservative fiscal policies; lower taxes; strong families; safe neighborhoods and parks; reduced traffic; community programs for our children, teens and seniors.

I'll guarantee you are protected by the finest police and firefighting forces.

With your support, I will ensure the original dream of Rancho Santa Margarita remains a reality! (www.tonybeall.com)
